The club held a successful BBQ and young stock show which was enjoyed by all I hope

We also had an enjoyable day at Tropical wings.

I would like to thank the ladies who worked so hard at the shows Judy Sue and Marian also Pam Janice maureen and all the ladies who helped and contributed to the BBQ also every one who helped to set up as with out your help we could not run it.

Thanks for all the raffle prizes throughout the year. With out these the club would not make any money.

Christmas dinner was a success if any one has ideas for next year let me know
